Information about your insurance policy

Dear Client

We would like to inform you about the identity of the insurer and the material content of the insurance contract (Art. 3 of the Swiss Insurance Policies Act).

Use of the male gender to facilitate readability is intended to also refer to the female gender.

Who are your contractual partners?

The risk carrier for the present insurance is: Helvetia Swiss Insurance Company Ltd, Dufourstrasse 40, 9001 St. Gallen, Switzerland. Responsibility for this insurance lies with: European Travel Insurance ERV (referred to as ERV in the General Conditions of Insurance), a branch of Helvetia Swiss Insurance Company Ltd, domiciled at St. Alban-Anlage 56, P.O. Box, CH-4002 Basel.

Who is the policyholder?

The policyholder is DER Touristik Suisse AG, domiciled at Herostrasse 12, CH-8048 Zurich.

What law or contractual basis applies?

This contract is governed by Swiss law. The contractual basis comprises, for example, the application, the customer information, the General Conditions of Insurance and, where applicable, further special conditions or supplementary provisions, and also the policy. In all other respects, the Swiss Federal Act on Insurance Policies applies. If the policyholder's place of residence/registered office is the Principality of Liechtenstein, the law of Liechtenstein applies together with the provisions of the Liechtenstein Insurance Policies Act (Versicherungsvertragsgesetz – VersVG).

What risks are covered and what is the scope of the insurance cover?

The selected insurance cover, conclusion of which is confirmed by means of the policyholder's travel booking confirmation, the corresponding General Conditions of Insurance (GCI) and any Special Conditions (SC) stipulate the events upon whose occurrence ERV is obliged to make a payment.

What type of insurance is this?

Your insurance is generally insurance against loss. Fixed-benefit insurance policies are expressly designated as such in the contract documents (e.g. application, policy, GCI).

What insurance benefits are paid?

The amount and/or maximum limit and the type of insurance benefits can be found in the policyholder's travel booking confirmation, the corresponding GCI and the SC. The same applies to any deductibles or waiting periods.

Which persons are insured?

On the basis of the collective insurance contract entered into with the individual policyholder, ERV grants insurance cover and a direct right of claim in connection with the insurance benefits to the persons specified in the policyholder's travel booking confirmation. The insured persons are detailed in the policyholder's travel booking confirmation and the General Conditions of Insurance (GCI)

How high is the premium payable?

The premium is communicated explicitly as part of the process of concluding the collective insurance agreement. Details of the premium and the statutory duties and fees (e.g. Swiss federal stamp duty) can be found in the premium invoice and in the policyholder's travel booking confirmation.

What obligations apply on concluding the contract?

As the applicant, the policyholder is obliged under Article 6 of the Swiss Insurance Policies Act to provide complete and correct answers to all the questions in the application (e.g. date of birth, prior claims). If, when concluding the contract, the policyholder or the insured person provides an incomplete or incorrect answer to a written question or a question in any other text form, ERV is entitled to terminate the contract within four weeks of becoming aware of the breach of the duty to notify. If the contract is terminated in this manner, the obligation to pay benefits also ceases for any loss already sustained if the occurrence or scope of such damage was influenced by the incorrectly or incompletely disclosed fact. If benefits have already been paid for such losses, repayment may be demanded.

What are the other obligations of the insured persons?

The principal obligations of the insured persons include the following:

- If a loss event occurs, it must be reported to ERV immediately.
- The policyholder and insured persons must co-operate in ERV's investigations, for example in investigating a claim (obligation to cooperate).
- If a loss event occurs, reasonable actions must be taken to mitigate and elucidate the loss (obligation to mitigate losses).
- If a change in the material circumstances recorded in the insurance application and policy lead to an increase in risk, there is an obligation to notify ERV of this without delay (aggravation of risk).

When does your insurance contract commence and end?

The insurance cover commences when the insured person joins the collective agreement and lasts in accordance with the information in the policyholder's travel booking confirmation.

When is there a right of cancellation?

The policyholder may cancel, in writing or any other text form, their application to conclude the contract or their declaration of acceptance of such contract. The period of cancellation is 14 days and commences as soon as the policyholder has applied for or accepted the contract. This period is considered to have been met if the policyholder has notified ERV of the cancellation or submitted his notice of cancellation to the postal service on or by the last day of the cancellation period. The right of cancellation is excluded in the case of group personal insurance, provisional cover notes and agreements with a term of less than one month. An annual premium/single premium will remain due if an injured third party can credibly make claims against ERV.

What personal data is processed and why?

All personal data is processed in accordance with current data protection legislation. ERV is responsible for processing your personal data. In the notes on data protection at www.erv.ch/datenschutz, you will find further information on the purposes for which personal data is processed (e.g. conduct of insurance business, marketing activities, pricing and individual product creation, risk assessment and settlement of claims, recipients in Switzerland and abroad), as well as your rights.

What else must be observed?

The actual insurance contract remains authoritative in all cases.

In cases of doubt about the interpretation and content of all documentation, the German version shall prevail.
